BAE Systems plc (the 'Institution') acknowledges that the Standards published by the FICC Markets Standards Board (FMSB) represent generally recognised good practice in the wholesale Fixed Income, Currencies and Commodities (FICC) markets. The Institution confirms that it is committed to conduct its FICC market activities (its 'Activities') in a manner consistent with the Core Principles contained in FMSB Standards, and to have internal policies, procedures and controls reasonably designed to give effect to those Core Principles where they are applicable to its Activities, in a manner that is commensurate with the nature of its Activities in the relevant entity or jurisdiction.

This Statement of Commitment applies to all Standards published by FMSB in final form prior to 31 December 2019 and reaffirms any previous Statements of The Commitment made by the Institution where appropriate.

The Institution determines that this Statement of Commitment and its reaffirmation applies to the following Standards:

Standard	Final release
<u>Secondary Market Trading Error Compensation Standard</u>	28 January 2019
<u>Risk Management Transactions for New Issuance Standard</u>	3 July 2018
<u>New Issue Process standard for the Fixed Income markets</u>	2 May 2017
<u>Reference Price Transactions standard of the Fixed Income markets</u>	21 November 2016

The Standard Binary Options standard for the Commodities markets is not relevant because the Institution does not undertake commodity market activities.

The Institution will reference adherence to the FMSB Standards in its Finance Policies Manual and will publish this Statement of Commitment on the BAE Systems Group Treasury internal website.

The Statement of Commitment is signed by the following on behalf of the Institution
