Dear FICC Markets Standards Board,

I am writing in response to your email of 6th January 2021 regarding the FICC Markets Standards Board (FMSB) Statement of Commitment from Bloomberg LP.

As requested in connection with the submission and communication process we write to confirm that the Standard published in 2019 (Secondary Market Trading Error Compensation Standard) is not relevant to the business of Bloomberg L.P. as Bloomberg L.P. does not consider its activities to be a party to a transaction as described in the Standard.

Bloomberg LP can also confirm that the earlier 2016, 2017 and 2018 Standards continue to not have relevance to the business of Bloomberg L.P.

Please do not hesitate to contact me with any questions.

Kind regards,

James Phelps
Bloomberg L.P.
