Dear FMSB Secretariat

I am writing in response to your email of 31 August 2021 regarding the FICC Markets Standards Board (FMSB) Statements of Commitment and their application to Bloomberg L.P.

As requested in connection with the submission and communication process we write to confirm that the Standards published in 2020 (namely: the Standard for the execution of Large Trades in FICC markets and the Standard on use of Term SONIA reference rate) are not relevant to the business of Bloomberg L.P.

Bloomberg L.P. can also confirm that the earlier 2016, 2017, 2018 and 2019 Standards continue to not have relevance to the business of Bloomberg L.P.

Please do not hesitate to contact me with any questions.

Kind regards

Mark Flatman
